WORK EXPERIENCE

WordPress Developer
Webkonsulterne — January 2024 - March 2025

As a WordPress Developer at Webkonsulterne, I played a key role in designing and developing responsive, user-friendly websites tailored to client objectives. I was responsible for maintaining and updating WordPress sites, troubleshooting technical issues, and implementing performance optimizations to enhance speed and user experience. My work also involved close collaboration with clients, delivering timely support and tailored solutions to ensure project success and long-term satisfaction.

Freelance WordPress Developer
Fiverr & Independent Projects — 2021 - Present

As a freelance WordPress Developer, I have successfully delivered a wide range of custom websites for clients on Fiverr as well as through independent collaborations. My work spans full-site development, troubleshooting, performance optimization, and tailored customizations — all focused on responsive design and business-driven outcomes. With a strong emphasis on clear communication, attention to detail, and timely delivery, I consistently ensure client satisfaction while providing flexible, scalable solutions aligned with diverse business needs.
