Miladul Islam

Software Engineer | Laravel | PHP | OOP | MySQL | JavaScript |
jQuery | Ajax | ReactJS | Inertia.js | RESTful API | OAuth2 | JWT |
Laravel Passport | Swagger | OpenAPI | Postman | Scramble | Nginx /
Apache | Bootstrap | Tailwind CSS | Git (GitHub, GitLab)

Summary

Experienced Laravel/ PHP developer with 3+ years' expertise and IT background. Seeking a challenging role to contribute technical skills and drive innovation.

Experience

Soft BD Ltd.

Software Engineer

1st, September, 2021 to 30th, June, 2025 (3 years 11 months)

8th & 13th floor, Hasan Holdings Limited, 52/1 New Eskaton Road, Dhaka,
Bangladesh

Summary:

Experienced Software Engineer with 3+ years of proven expertise in Laravel (PHP) and modern web development. Skilled in designing scalable APIs, handling authentication with OAuth2, JWT, and Laravel Passport, and building dynamic UIs. Adept at using Postman, Swagger/OpenAPI, and Scramble for API documentation and testing. Comfortable working in both Nginx and Apache environments, with solid version control practices using Git (GitHub, GitLab). Passionate about clean code, performance optimization, and continuous learning. Seeking opportunities to contribute technical insight and help build innovative software solutions.

Projects

1. LRMS – Land Record Management System

A web-based system to manage and allocate land to landless citizens.

- Role & permission-based access control
- Built with Laravel, Bootstrap, jQuery, Ajax and MySQL
- link : <https://lrms.gov.bd/>

2. **Dak Bungalow Management System**

Online room booking system for government dak bungalows.

- Multi-auth system with admin approval workflow
- Role & permission-based access control
- Online payment integration using EkPay
- Booking status tracking and admin panel for management
- Using Laravel, MySQL, TailwindCSS, jQuery, Ajax
- Link: <https://kzpdb-booking.com>

3. **E-Porcha – Digital Land Record System**

A digital platform to manage and verify land records online.

- Role & permission-based access control
- User-friendly interface for record search
- Download land record
- Online payment integration using EkPay
- Using Laravel, MySQL, Bootstrap, jQuery, Ajax

4. **MIS MOLWA – Ministry of Liberation War Affairs Portal**

Official portal for MOLWA providing e-services and data management for freedom fighters.

- Central MIS for storing and verifying freedom fighter records
- Allowance processing (Monthly & Occasionally)
